2010-2011 School Year Begins!

From Miss Sandi's desk—

Wow...where did this school year go? Although I know summer break is a fun and exciting time for many of us, it makes me a bit sad to know that it will be a whole 3 months before I see these beautiful little faces again... getting out of their cars each morning...smiles on their faces... eager for the day ahead and the things they will learn at school. I will truly miss **each and every one** of them. My favorite time of the day is this morning routine. It's so nice to see children enthusiastic about school, their friends and their overall environment! I wish each one of you a blessed and safe summer. I hope you all enjoy some quality family time and embrace these moments...they go by too fast!

Spring Program & Graduation

Tuesday, May 18th is our Spring Music Program and Kindergarten Graduation. This event will start at 6:30pm. Please invite your family and friends to attend this entertaining evening (and don't forget your cameras)! Your children will need to arrive by 6:15 to prepare and get ready for their performance. A small reception will follow! Join us in congratulating our Kindergarteners as they prepare to enter the world of 1st grade!

May the Lord guide and protect them on their life's journey ahead.

END-OF-YEAR PICNIC!

Each year, WEE Care Preschool celebrates the end of the year by hosting a family picnic on the last day of school. Please arrange to meet your child at 11:45 on Thursday, May 20th for this celebration. In the past, many families will bring their child a "special" lunch (usually McDonald's, Subway...) and meet them on our side lawn by the play ground for a picnic and a final goodbye to their teachers and friends. Please bring a blanket and lunch for you and your child. Keep in mind, if you choose to go to a fast food restaurant, consider leaving a bit early as the lunch crowd will be there too! We ask that you arrive at school **no later than noon** so that all children are able to gather and eat with their families at the same time! All are welcome!

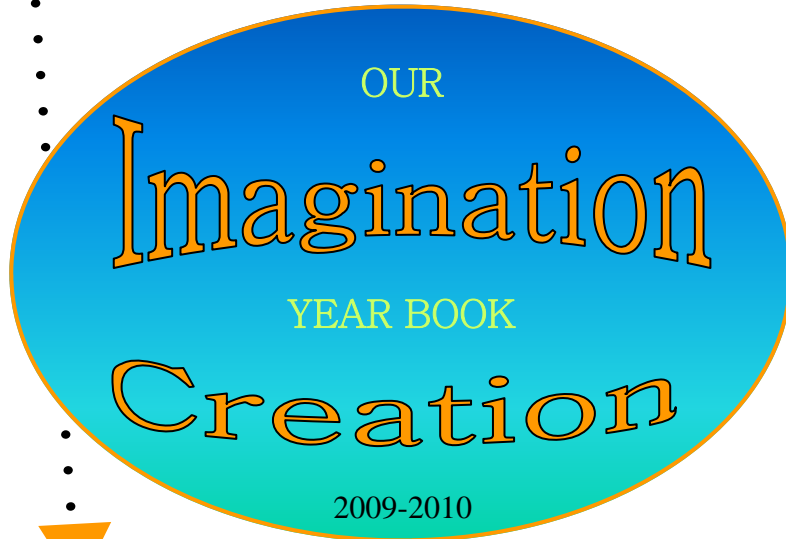

REMINDER

May tuition is now due. Please add \$10 late fee if paid after May 8th.

Your prompt payment is always appreciated!

Summertime Fun

If you are looking for something educational and fun for your child to do this summer, please consider our summer camp at WEE Care! It's filled with so many activities, your child will be begging to come back for more! Although we have received several enrollments, we need **more** to be able to hold 2 separate weeks of camp. Otherwise, we'll be forced to combine the weeks. *I particularly encourage the older 3's, pre-k, kindergarten and first graders at home to sign up!* The enrichment activities involving nature, science and the environment (led by Mr. Damian) will teach your child a true love and respect for God's world! The crafts (led by Miss Johnson) will knock their socks off! The games and outdoor fun all add up for a fun-filled week! If you have any questions, please consider talking with Miss Johnson and Mr. Damian.

Summer Hours

Although school is not in session this summer, Miss Sandi and Miss Tracy will be in periodically to handle enrollments and paperwork and return phone calls and emails. Don't hesitate to contact us if you have any questions! We typically check messages once or twice a week.

Thank You!

A big thanks to all who contributed shoes to our “Remember the Children” drive. Cyndi Petroff, who organized the drive, sent this message:

Dear Sandi, Tracy and WEE Care Families,
Thank you for joining me in assisting Remember-the-Children and their goal to collect 10,000 pairs of shoes in 10 months for the children in Romania. I was proud to present 50 pairs of shoes to Andy Baker, founder of Remember–the-Children just last week on behalf of WEE Care. This caused touched my heart when I saw pictures of children walking in the snow in bare fee and flip-flogs. I’m sure warmth on their feet and in their hearts will be met longer than just the winter months!

Thanks again!
Grace and Peace,
Cyndi

If you haven’t done so, please take advantage of the FINAL discounted registration fee. It is only \$55.00 now, but this offer expires as of May 31st. June 1, our registration will be \$70.00. If you have already registered your child, THANK YOU! Please consider getting your paperwork and any final fees to us before this school year ends. These are officially due by July 1st.

Why WEE Care?

In answering God's call to extend the ministering arm of the church, the purpose of our Weekday Early Education program is to provide biblically-based, age appropriate readiness skills for preschoolers and kindergarteners as they learn to love God, others, and themselves.

Our years of excellence in scholastics has well-prepared our preschoolers and kindergarteners to succeed in the public and private school systems throughout his or her entire scholastic career. Make an appointment to visit our Kindergarten classroom and find out why our kindergarten graduates are "above the curve."

Do you have questions about faith?

Why am I here?

What's God's purpose for me?

Sometimes I feel lost. Where can I go for answers?

Don't carry life's burdens alone—for you are never alone. God loved you enough to put you exactly where you are today. We welcome you to come find out *why* through the gospel of Christ, and to feel the strength other families of faith have to offer at Fall Creek Baptist Church.

You are *never alone*. Let's answer these questions together.
