

# Welcome To W.E.E. Care Preschool

Thank you for registering. We look forward to providing your child with a Christian, loving atmosphere where they can grow and learn with our daily activities and instruction.

The children will be taught Christian values, principles, and Bible stories and well as language, reading, writing and math skills appropriate to their stage of development.

Please see that all forms in this packet are completed and returned to the school on or before July 1, 2010 to complete the enrollment process.

The supply and registration fees are due before July 1, 2010. Thank you for understanding that we also ask for a deposit equal to one month's tuition (which is then applied to May 2011) in advance. All payments are nonrefundable. Please make your checks payable to W.E.E. Care Preschool.

Thank you and we look forward to a wonderful new school year!
